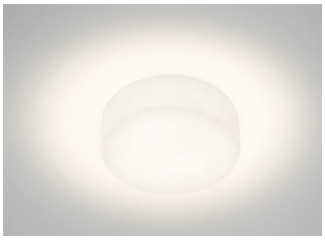
Highlights

True skin colour

This Philips bathroom light makes colours reflect in a natural and accurate way, just the way the sun would do.

Warm white light



Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Philips bulb always included

High-quality Philips EcoLamp energy-efficient light bulbs are included in the box for achieving the best light effect.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP44 - bathroom-safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for the bathroom.

Energy

For many years Philips has pro-actively been working on energy efficiency. As a result, most Philips products have achieved green energy labels. The greener the label, the lower the energy consumption, the lower your energy bill and the friendlier for the environment.

Specifications

Design and finishing

- Material: glass
- Colour: white

Product dimensions and weight

- Height: 11 cm
- Length: 27 cm
- Width: 27 cm
- Net weight: 1.230 kg

Technical specifications

- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: fluorescent, 230 V
- Number of bulbs: 1
- Fitting/cap: E27
- Wattage bulb included: 20 W
- Maximum wattage replacement bulb: 20 W
- Light colour: 2700K warm white
- Lamp lifetime up to: 10,000 hrs
- Fixture dimmable: No
- LED: No
- Built-in LED: NO
- Energy class included light source: A
- Fixture is compatible with bulb(s) of class: A+ to E
- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: II - double insulated
- Light source equivalent to traditional bulb of: 95 W
- Lumen output bulb included: 1320 lm

Service

- Warranty: 2 year(s)

Packaging dimensions and weight

- Height: 31.8 cm
- Length: 30.3 cm
- Width: 18 cm
- Weight: 1.830 kg

Miscellaneous

- Especially designed for: Bathroom
- Style: Contemporary
- Type: Ceiling light
